

In short, the legislation removes some of the shortcomings of the current inter partes system, and should present a viable and beneficial option for addressing the validity of some patents without the necessity of costly and complex litigation in a court.

Finally, I am honored that Chairman Howard Coble has agreed to be the principle co-sponsor of this legislation.

HON. IKE SKELTON

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Monday, June 25, 2001

Mr. SKELTON. Mr. Speaker, let me take this means to pay tribute to Chief Master Sergeant Dale E. Buckingham upon his retirement from the United States Air Force.

Chief Master Sergeant Buckingham has served our nation with honor and distinction for over 30 years, and his performance throughout his career has been characterized by the highest standards of professional ethics and commitment to the military. Chief Master Sergeant Buckingham was assigned to the 4642 Air Defense Squadron (SAGE) at Malmstrom Air Force Base, Montana, in 1972.

Chief Master Sergeant Buckingham's record of service is outstanding. In 1976, he was selected to be a recruiter with the 2543rd USAF Recruiting Squadron where he was named rookie recruiter of the year. In the following year he received the gold bald eagle signifying top recruiter and recruiting excellence. In 1983, Chief Master Sergeant Buckingham was assigned to Strategic Air Command Headquarters at Offutt AFB, Nebraska. While there, he served with the 1st Combat Evaluation Squadron and Strategic Air Command Bombing and Navigation Division.

Chief Master Sergeant Buckingham, in 1987, was selected for the Defense Attache System being posted at the American Consulate in Hong Kong. Two years later he was reassigned to the American Embassy, Ankara, Turkey, as the Operations Coordinator. Following the completion of his tour in Ankara, Turkey, he was then assigned to Whiteman AFB, Missouri, and the 509th Bomb Wing. At Whiteman, he served as the base's chief of information management responsible for over 100 information managers. Chief Master Sergeant Buckingham was then assigned as the superintendent of the information systems flight in the Communications Squadron. In March 1998, he developed and established the First Term Airmen Center to help ease the transition for young airmen moving to Whiteman. He became the Command Chief Master Sergeant in March of 1999.

Chief Master Sergeant Buckingham's awards include the Defense Meritorious Service Medal with one oak leaf cluster, Meritorious Service Medal, Air Force Commendation Medal with four oak leaf clusters and the Southwest Asia Service Medal.

Chief Master Sergeant Buckingham is married to the former Christina Kay Rocky of

Hiawatha, Kansas, and they have two daughters.

Mr. Speaker, I am certain that my colleagues will join me in wishing Chief Master Sergeant Buckingham and his wife, Christina, all the best. We thank them for over 30 years of service to the United States of America.

A POINT OF LIGHT FOR ALL
AMERICANS: REV. DR. HENRY A.
CHAN

HON. MAJOR R. OWENS

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Monday, June 25, 2001

Mr. OWENS. Mr. Speaker, as the nation of Guyana celebrates its 35th Independence Anniversary, I would like to salute an outstanding Guyanese American, Rev. Dr. Henry A. Chan as a Point of Light for all Americans.

The Rev. Dr. Henry A. Chan was born in Guyana in 1946 at Golden Grove, East Bank Demera to Ruby and Clarence Chan. While growing up at Pin Schoon Ord, he attended primary schools on the West Bank of Demerara and obtained his secondary education at Queen's College in Georgetown, Guyana.

At the age of thirteen, Dr. Chan felt the call to the Priesthood in the Anglican Church and was tutored in his teenage years by then Archbishop of the West Indies and Bishop of Guyana, the Most Reverence Dr. Alan John Knight.

On completion of his studies at Queen's College in 1964, Dr. Chan was directed by Archbishop Knight to work for some years in order to obtain experience in the world before going on to Codrington College in Barbados and afterwards, to Durham University in England.

In 1967, instead, Dr. Chan came to the United States of America to further his studies in Engineering and Computer Science. He felt that the priestly vocation might have been a boyhood fantasy. But God had endowed Dr. Chan with many gifts and a broad knowledge during his Queens College years. He enrolled initially as a student in the Electronics Technology program at RCA Institutes.

During the ensuing years, Dr. Chan discovered that he had a hobby—collecting academic degrees. His degrees include Bachelor of Science in Computer and Information Science (State University of New York, 1978); Master of Business Administration in Management (Dowling College, 1980); Doctor of Public Administration (Nova Southeastern University, 1981); Doctor of Ministry (University of the South, 1987); Master of Sacred Theology in Spiritual Direction (General Theological Seminary, 1990) and Doctor of Philosophy in Pastoral Psychology (Graduate Theological Foundation, 1994). He is also a 1982 graduate of the Mercer School of Theology in the Episcopal Diocese of Long Island, New York.

During the years 1969–1982, Dr. Chan held many positions in data processing, including systems analysis, project management, and long-range planning.

Dr. Chan is married to Jean Flora Chan, and they have three children, Anthony, Andre and Natasha. Dr. and Mrs. Chan became proud grandparents for the first time when Anthony and his wife Gloria, were blessed with a son, Justin on May 24, 2001.

Events in his life led Dr. Chan to test his vocation to the ordained ministry in the Episcopal (Anglican) Church. He was ordained to the diaconate in 1982 and to the Priesthood in 1983 in the Diocese of Long Island, where he has served up to this day. Dr. Chan has been at St. Peter's Church, Rosedale from January 1, 1988 to the present. He came to St. Peter's Church at a time when one of the considerations for the future of this Church was to close its doors because of the small size of the membership and financial giving. Under his pastoral leadership, however, St. Peter's is a thriving Church today with a membership of about 150 families from all parts of the Caribbean, Central and South America, and the United States of America. Furthermore, the Church is debt-free. During the past thirteen years, the buildings and ground have been restored and the people can tell from this that God is present in Rosedale and surrounding communities.

Each year in January and August when Dr. Chan has a break from his parish duties at St. Peter's Church, he travels to Guyana at his own expense, to render assistance to the Diocese of Guyana where there is an acute shortage of clergy. Dr. Chan eagerly looks forward to serving the Church in Guyana on these occasions, pastorally and spiritually, for Guyanese are hungry for growth in their relationship with God. But in parishes where there are no full-time priests, they are like sheep without a shepherd.

In addition to the demands on his time as priest and pastor at St. Peter's Church, Dr. Chan serves as a volunteer mediator with the Queens Mediation Network, Community Mediation Services, from which he received his training.

Dr. Chan feels blessed by God in his ministry as a priest and pastor and he has only one burning desire, that is, that in whatever he does, to God be the glory.

Mr. Speaker, I am proud to salute Rev. Dr. Henry A. Chan as a Point of Light for all Americans.

URGING RATIFICATION OF THE CONVENTION ON THE RIGHTS OF THE CHILD

HON. MARCY KAPTUR

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Monday, June 25, 2001

Ms. KAPTUR. Mr. Speaker, on June 20, 2001 the House passed H. Res. 124 recognizing the importance of children in the United States and supporting the goals and ideals of American Youth. This piece of legislation was adopted by a unanimous vote of 424-0. I commend the U.S. House of Representatives on passing the resolution and believe that we all share the desire to secure the safety and well being of all children in our great nation and abroad.

More than a decade ago, the largest group of world leaders ever convened for the World Summit for Children to discuss their responsibility to children. At the end of the World Summit, 71 heads of state and other world leaders signed the World Declaration on Survival, Protection and Development of Children. The standards and obligations adopted place children center stage in the quest for a just, respectful and peaceful society.

The leaders attending the summit also adopted a Plan of Action to achieve a set of precise, time-bound goals, including: Improving living conditions for children and their chances for survival by increasing access to health services; reducing the spread of preventable diseases; creating more opportunities for education; providing better sanitation and greater food supply; and protecting children in danger.

To date, 192 states have ratified or signed the convention. The convention was ratified more quickly and by more countries than any previous human rights agreement. Unfortunately, the United States is not among the 192 nations that have joined in this historical convention, and no other industrialized nation has failed to make this legal commitment to children.

As a Member of the United States Congress I am saddened and embarrassed that our great nation has not ratified this historical con-

vention. Our nation's children are our future. The Convention on the Rights of the Child embodies the very principles our country was founded upon and only enforces the rights afforded to all children born in our great nation of life, liberty and pursuit of happiness.

Ratification clearly signals a state's commitment to uphold standards of the convention and to respect, protect and fulfill the rights of children around the world. The House of Representatives commitment to the well being of our nation's children is exemplified through the unanimous passage of H. Res. 124. I urge the United States Senate, which has the sole power to ratify treaties, to act soon on this important matter and stand up for the rights of children worldwide.

TRIBUTE TO DONNA BLITZER

HON. SAM FARR

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Monday, June 25, 2001

Mr. FARR of California. Mr. Speaker, I rise today to offer tribute to one of those persons who toil endlessly, without complaint, and generally in the background, but who make some of the largest and most important contributions to our lives: our staff. In particular, I rise today to congratulate and thank my long-time staffer, Donna Blitzer, who, after nearly 20 (I'm sure in her eyes) I-o-n-g years, has decided to explore other career opportunities. Ms. Blitzer is now the Director of Government and Community Relations for the University of California, Santa Cruz.

Donna began in my office when I was in the State Legislature, serving as one of my support staff. As I grew in elected office, she grew as staff and together we served as partners in many initiatives to improve and protect the quality of life on California's Central Coast which I represented then and continue to do so today. Throughout it all, Donna was my constant advisor and supporter, my advance and back up, my most loyal and trustworthy counsel. She was always there to put me back on track when my ideas de-railed, and to bring form to my vision. Most important, she protected my ethical and moral compass from ever going astray.

Mr. Speaker, we all have good staff. They are the heart and soul of our public selves as we reach out to our constituents. But sometimes there is one who just gives so much to so many that it deserves our special acknowledgment and praise. Donna Blitzer is such a person.

I will miss having her on my staff and at my side as I have for 20 years. But I wish her well in her new job and know that her contribution to the public will still be appreciated, no matter where she finds herself.

HON. LARRY COMBEST

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Monday, June 25, 2001

Mr. COMBEST. Mr. Speaker, I rise to extend my deepest sympathy to the people of West Texas for the loss of Odessa Mayor Bill Hext.

Bill was a selfless leader, a visionary, and a faithful statesman. Bill personified service and will be remembered for his relentless pursuit of improving the lives of the people of Odessa. Prior to being elected mayor in 2000, Hext had served as a City Council member since 1998, and continued his work in public service as a member of many civic and charitable organizations. Bill's commitment to serving his community and his influence on Odessans will be an inspiration for generations to come.

It is with great empathy that I salute Bill Hext as an outstanding individual and faithful mayor to the city of Odessa. He will forever hold a place of honor and respect in the pages of community service.

IN THE HOUSE OF REPRESENTATIVES

Monday, June 25, 2001

Mrs. ROUKEMA. Mr. Speaker, I was unable to be present for rollcall votes: 182-185, during the consideration of the Interior Appropriations Act. Please let the record show that had I been present I would have voted "aye" for rollcall vote 182, the Inslee amendment to uphold current regulations on hardrock mining; "no" for rollcall vote 183, the Deutsch amendment regarding historic campsites in Stiltsville, Florida; "no" for rollcall vote 184, the Stearns amendment to reduce funding for the National Endowment for the Arts; and "yes" for rollcall vote 185, final passage.

The expansion of funding for land acquisition, wildlife protection, and other preservation and conservation programs is a victory for the country.
